

Our Little Steps Peer Support groups are friendly and informal, providing a safe, non-judgemental space to meet current or previous service users of Steps2Wellbeing.

- We share our own experiences to help support each other, build our confidence, share coping techniques, and reduce the feeling of isolation.
- All of our Peer Support groups are facilitated by staff and volunteers who have previously accessed the service.
- Our groups are currently holding fortnightly meetings together with email support from the group facilitator between sessions.
- We use the session as a chance to check in with each other, offer support where we can and discuss common mental health topics with a focus upon keeping ourselves well.

**We currently have the following groups running:**

17:45—19:15 this is an in-person session on a Monday evening once a fortnight (unless a Bank Holiday) at the Hope Centre, Drayton Road, Weston.

10:30—12:00 this is an in-person session on a Thursday once a fortnight at the Freemantle Community Centre, Randolph Street, Freemantle.

If you would like to join Little Steps, please email to let us know which group you would like to attend, and we will add you to the mailing list. You will then start to receive our email reminders, resources, and the link for our webinar sessions.

We look forward to hearing from you soon!
